

2008 Annual Commuter Survey

Win a \$250 Visa Gift Card!

April 15 — May 31, 2008

Each year, the Montgomery County Annual Commuter Survey is conducted to help find ways to improve transportation services around the county. Your participation is valuable and your answers will be confidential.

The survey gathers valuable information evaluating the various modes of transportation used by employees commuting to work. The survey consists of commuter data collected from local governments, organizations and businesses.

The information will be used by the Office of Research Services, Division of Travel and Transportation Services (DTTS) and the Office of Research Facilities, Division of Facilities Planning to assist in developing alternative transportation programs in and around Bethesda.

The 2008 Annual Commuter Survey can be completed online at: www.bethesdatransit.org/survey.

Company participation is required and organizations are chosen via a county-specific selection process. Listed below, are the companies and organizations that have been chosen to participate this year.

- **All participating employees will be entered into a drawing to win a \$250 Visa Gift Card.**
- **The Top 5 Transit Benefits Coordinators who help secure the highest employee response rates will win a \$250 Visa Gift Card**
- **5 more will win other great prizes.**

Only employees and Transit Benefits Coordinators (TBC) from the selected companies (listed below) will be eligible to win. A TBC is the staff member in your office who is responsible for delivering and collecting this survey. This person is also usually responsible for managing or handling Metrocheck/SmartBenefits orders in your office. If more than 5 TBCs become eligible to win (e.g. 6 TBCs get 100% company employee participation), then the winners will be determined based on their survey completion date.
